Greetings. We are honored to create and chair the inaugural **SpringSpirit Slugging Statistics** camp to be held the week of **June 10 – 14, 2019** at the **SpringSpirit Youth Sports and Education Complex**. We welcome your support of this groundbreaking event which combines the SpringSpirit children’s love of sports with STEM (Science, Technology, Engineering and Math) lessons, engaging them with the power of these disciplines, providing them with leadership development, and inspiring them with an ambitious vision for what they can achieve.

SpringSpirit is a leading non-profit that invests in tomorrow’s leaders by holistically serving our city’s underserved youth. Their mission is to provide safe pathways for youth to realize life opportunities through sports, education and mentoring programs that are based on Christian principles. With your help and sponsorship, their most involved and dedicated students will be able to continue building their personal pathways to success.

The potential for impact is great as SpringSpirit is situated in the heart of a high-density community, where there are an estimated 10,500 youth under the age of 18 within a 2-mile radius. A few facts about why we have chosen to support them:

- In 2018, SpringSpirit served 1,760 primarily latino/a kids (ages 4-18) and their families
- 97% of the students SpringSpirit serves are minority, 88% qualify for the free/reduced lunch program, and 81% are considered “at risk” of not graduating from high school
- Through their programs, SpringSpirit engages in 40,000+ community interactions each year

Our society is in an era of constant scientific discovery and technological advancement, and our economy will increasingly rely upon those who can lead in these areas. Investments in STEM education will empower and equip children to achieve their dreams, and enrich the future of the Houston community.

Proceeds raised will help underwrite a week-long STEM intensive summer camp, with sports and a leadership component, and provide, with more significant support, for year-round enrichment in the areas of sports and STEM. Please consider supporting the children of our city in this powerful way at the **SpringSpirit Slugging Statistics** camp during the week of **June 10 – 14, 2019**.

Your generosity will raise vital funding to equip these children to be our leaders of tomorrow. Attached is a description of sponsorship options and facts about SpringSpirit’s many programs offered throughout the community. We look forward to seeing you at the SpringSpirit Youth Sports and Education Complex. Thanks in advance for your generosity. Continued success in the short interim.

With gratitude and warm regards,

Mentoring

SpringSpirit offers mentoring relationships for participating kids in grades 3rd – 12th. Mentors and mentees have the opportunity to learn from each other by building a trusting relationship where mentors can support, challenge, and encourage mentees with their pursuits in life.

Become a Mentor

At SpringSpirit we are always looking for new mentors for our children. You can get more information on how to become a mentor for one of our SpringSpirit kids by visiting our mentoring website at www.springspiritmentoring.com or contacting mentoring@springspiritbaseball.org.

Be a Reading Volunteer

Join us in supporting the literacy growth of our SpringSpirit students at Edgewood Elementary in Spring Branch ISD. Volunteer once a week to support a small group of SpringSpirit readers. For more information contact Laura Smith at laura.smith@springspirit.org.

Join FOSS (Friends of SpringSpirit)

For first access to all other volunteer opportunities, join Friends of SpringSpirit. Contact Alison Young at alison.young@springspirit.org to join.
